

Public Involvement Meeting

County U and County G Intersection Improvement Project

November 15, 2024

Racine County, in cooperation with the Wisconsin Department of Transportation (WisDOT), is proposing a Highway Safety Improvement Program (HSIP) project located at the intersection of County U (S. 76th Street) and County G (6 Mile Road) in the Village of Raymond. This project intends to reconstruct the intersection into a single lane roundabout, add curb and gutter, and improve roadway drainage with the overall goal of increasing driver safety at the intersection. You are invited to attend the second in-person public involvement meeting to receive updates on the project, get your questions answered, and provide comments for the project team.

We Are Seeking Your Input!

Join us at our open-house public involvement meeting. Your participation is invaluable as we aim to improve our community's infrastructure.
